“If you are looking for high-quality basketball instruction in Ventura County look no further than the Simi Valley Basketball Academy. Coach Earle places an emphasis on skill development and helping players increase their basketball IQ. His Cagers teams participate in competitive tournaments, and his coaching staff are outstanding teachers who will help prepare you for the next level. “

Christian Aurand, Simi Valley High School

“Coach Earle Okamoto and his staff, run an excellent program based on teaching and developing sound basketball players. Our programs have competed against one another during the past 10 years and I have the highest regard for him as a coach and a person. He always maintains integrity in his coaching and interaction with others. I would recommend his program to anyone seeking a great place for their child to learn and grow. “
